Thank
you

Let's celebrate our
BCH Employees
who have
generously given
for over 10 years!

Bryan Funk - 11yrs
Mary Mick - 11yrs
Trisha Clark - 10yrs
Lisa Greenwood - 10yrs
Katie Humble - 10yrs
Susan Schoubee - 10yrs
Cindy Shepherd - 10yrs
Kris Wilcox - 10yrs

If you pledged to the Employee Giving Campaign during open enrollment and did not receive your custom ornament before the new year, please contact the foundation.

10 Year Milestone!

From 2014 to 2024, our BCH employees have contributed an incredible **\$279,268** through our annual Employee Giving Campaign. This achievement represents a remarkable legacy built by all of you. Not only do you work tirelessly to serve our community, but you also give generously to support those around us and strengthen our hospital, ensuring we can provide exceptional care in Southeast Nebraska. Your contributions have made a lasting impact on our community in ways that go beyond dollars. What an extraordinary gift and legacy you are creating!

1 2024 Giving

A big thank you to everyone who has already contributed to the campaign! We have approximately \$25,000 pledged by our employees for 2025.

Donations are welcome throughout the year, and you can update your pledge anytime through the benefits portal. If you are not currently contributing to the Employee Giving Campaign through payroll deductions, we encourage you to consider a one time donation of any amount. Every contribution has a meaningful impact right here in our hospital.

One Time Donation Form:

2 What do your donations support?

Greatest Need: Helps provide annual funding for healthcare grant requests from BCH departments and community organizations working towards health improvements in our area.

Employee Crisis: a resource designed to provide financial assistance to BCH staff during times of unforeseen personal hardship.

Patient Hardship: Assists BCH patients with expenses when an unplanned medical emergency causes a significant financial burden.

TAKING CARE OF EACH OTHER.

3 New Perk in 2025

RESERVED PARKING! New this year! We're excited to offer a reserved parking stall for a VIP Employee Campaign Donor! Here's how it works: each month, we will draw a new winner for the parking stall.

To be eligible for the drawing, you must be a current Employee Giving Campaign donor. What does "current donor" mean? It refers to anyone who has donated in 2025. We will have the first Reserved Parking drawing soon. All BCH Campaign donors who have contributed in 2025, whether through a one-time donation or a payroll deduction, will be entered into the drawing.

4 Quarterly Drawing

We held our 1st Quarter \$100 Visa gift card drawing!

Employees who pledged during open enrollment will be entered into the quarterly drawing. To participate, simply contribute to the Employee Giving Campaign, and you'll be automatically entered for a chance to win. If you're already giving, no further action is required.

WINNER: Laura Rideout

5 Patient Hardship

You are making a difference in the lives of our patients not only by caring for them at BCH but also outside of the BCH walls.

One patient in 2024 was living in his car when he came to us for treatment. His doctor's orders required him to keep his legs elevated, a challenge when living in a car. Thanks to the support of our Patient Hardship Fund, we were able to provide him with a two-night stay at a local hotel, offering him a place to shower, rest, and properly elevate his legs.

Did You Know?

Did you know that donations to the Greatest Need fund play a crucial role in supporting the grants we offer each Fall?

In 2024, the foundation awarded \$219,449 in grants to **11 different BCH Departments and Clinics**, and \$73,660 to Gage County Community Nonprofits.

These grants are made possible thanks to the generous donors in our community. Many of you, our dedicated BCH employees, not only make a difference every day but also go above and beyond with your financial contributions. We're truly fortunate to be part of such an amazing community!

TAKING CARE OF EACH OTHER.
