

2025

# Premier Partner Program

Dear BCH & Community Supporter,

The past year brought excitement to the Beatrice Community Hospital Foundation! We hosted the most successful Golf fundraiser to date, had another great outcome from our ever popular holiday gala, Catch the Glow, and we played a key role in coordinating the most successful Big Give Gage for the community. These significant achievements provide a glimpse into our year of raising crucial funds for essential rural healthcare needs in our community.

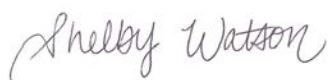

Since 2016, the PREMIER PARTNER program has provided a special opportunity to recognize local businesses and foundation donors, and showcase their commitment through our annual fundraising events and marketing initiatives. Even amid an unforeseen year, the BCH Foundation was able to provide premier event packages, offering unique branding recognition to our sponsors. These packages help support various campaigns and events:

- Centurian Dinner, a Foundation donor appreciation dinner
- Centurian Cup, annual golf tournament
- Trivia Night for BCH Employees during Healthcare Week
- Catch the Glow, annual gala and auction

As a Foundation, we aim to enhance our legacy by introducing new opportunities and expanding our existing efforts, while staying mindful of our mission to improve patient-and-family-centered healthcare at the Beatrice Community Hospital & Health Center and its affiliated entities. Our Premier Partner package offers the BCH Foundation a positive opportunity to sustain a lasting impact in the community. We are grateful that our community recognizes the crucial role organizations and businesses play in the health and prosperity of our community. Your partnership with the Beatrice Community Hospital Foundation is instrumental in maintaining the provision of quality healthcare in our region and keeps our local communities thriving. Please consider joining or renewing your partnership with us as a PREMIER PARTNER!

If you have questions or would like to discuss a custom sponsorship option for your organization, please do not hesitate to contact me. We want to be your partner in creating a giving strategy that meets your business objectives and maximizes public recognition for your charitable support.

I look forward to hearing from you!

Senior Executive, Foundation  
Beatrice Community Hospital & Health Center

Premier Partner  
Program!

# ADDITIONAL OPPORTUNITIES

There are very important and exciting opportunities this year for community partners to work with the BCH Foundation in promoting a healthier community for all. The following opportunities are presented to Premier Partners FIRST before anyone else. These opportunities will be included in addition to your Premier Partner sponsorship.

## 1. Patient Hardship Advocate - \$500

- Not only does the BCH Foundation work to improve the services provided at BCH, we also help patients in need. The Patient Hardship fund provides assistance to BCH Patients experiencing financial hardship, which is causing poor health outcomes.

## 2. Healthcare Week Sponsor - \$1,000 (*limited to one sponsor*)

- The BCH Foundation hosts a Trivia Night for all BCH Employees to celebrate Healthcare Week. This sponsorship helps cover event expenses.

## 3. Centurian Endowment Supporter - \$1,000

- The BCH Foundation, in partnership with Centurian Partners, offers mini-grant funds annually for approved BCH Department grant requests selected by Centurian Partners. This group of individuals include retired BCH employees, community partners, and faithful friends that are dedicated to supporting high-quality healthcare in our community. As a Centurian Endowment Supporter, your contribution will allow our Centurian Partners to continue having an impact.

## 4. Kudoboard Sponsor - \$4,000 (*limited to one sponsor*)

- This platform drives gratitude amongst staff and patients. Kudoboard offers a way to celebrate birthdays, patient encounters, milestones, and everything in between. Many Healthcare organizations are using this as an opportunity to promote a positive work environment, and we want to offer the same for our staff!

## 5. NEW Wymore Clinic Founding Partner - \$5,000+

- This year, the Beatrice Community Hospital is gearing up to build a beautiful, new clinic in Wymore, NE. You can help by becoming a Founding Partner, with exclusive recognition. There will also be naming opportunities available for those who want to make an even bigger impact.
